

Asia Pacific Designer Qualification Certification

apdf advocates and gradually establish 'Design standard' 'Achievement' ' Intellectual Property protection' 'Sustainable development' 'Traditional Technology and Culture' and 'Advanced Technology' in line with future society and industrial development. In order to better fulfill this mission and vision, APDF adopts designer qualification assessment and certification to reflect the actual working standards and specifications of designers as well as their actual ability level.

After research, APDF will officially launch APDF Asia Pacific Designer qualification Certification system. The first batch of **100 designers** will be certified from **November 15, 2020 to December 31, 2020**. The quota is limited, so if you would like to apply, please do not hesitate to contact us!
